Re: Berry v. Lexis, CV 3:11-00754, Power Point Materials
DISSEMINATION OF SOCIAL SECURITY NUMBERS

Dear Sir;

I received your package in the mails along with the enclosed letter, and I am confused. The letter is dated December 12, 2013 and includes materials for a hearing two days earlier, on December 10, 2013. When was the hearing held and what happened?

Perhaps worse, the package of papers you sent to me contained seven forms headed "do+able products", each of which had the name, address and social security number of some person on them. I certainly hope these did not get filed with the court, because that is illegal, (that's what the local federal court clerk told me in any case). In this day of identity theft, such information should not be made public and certainly should not have been sent to me! What do you plan to do to remedy this situation? I look forward to your prompt, written reply and remain....

Yours truly,

Jeanne Giles
